

General Manufacturing Industrial Solutions

VALIN

Automated Valve Assemblies

High Pressure Nitrogen System

Nitrogen Generator

Compressed Air Dryer

Steam Superheaters

Lube Oil Conditioning

Manifolds

Analytical Systems

Gas Superheaters

Liquid Gas Coalescer Separators

Auxiliary Electric Steam Boilers

Water Oil Circulating Temperature Controllers

Circulation Heaters

Grease Oil Recirculating

Hydraulic Power Unit

Flanged Immersion Heaters

Pump and Control

Fluid Automation Solutions

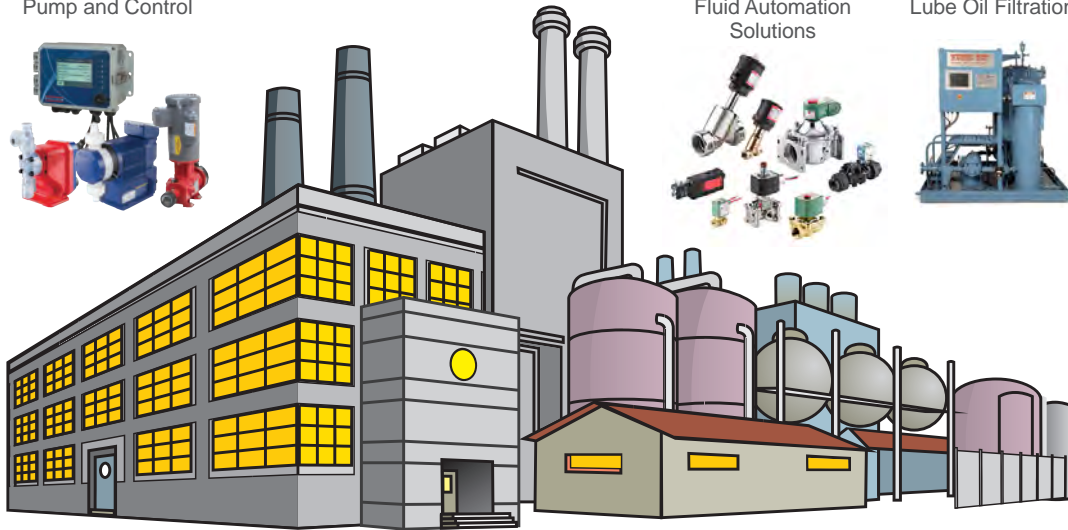

Lube Oil Filtration

Fuel Filters

Heat Trace Cable & Controls

Filter Press

Control Panels

PLC's

Motors

Table Top Robot

SCARA Robots

Actuators

Flow Racks

Oil Reclaimers Filters

Sensors

Safety Components

Conveyors

Workstation

Machine Guarding

Aluminum Framing

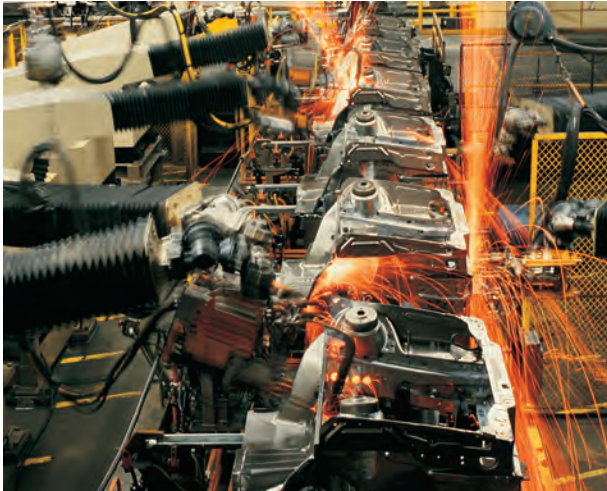

Material Handling Systems

Valin is your single source solution provider for all of your Industrial Manufacturing needs

Service Portfolio

PROCESS CONTROL

Inventory Management Services

- Sourcing
- Supply Chain Planning
- Warehouse Management
- Inventory Forecasting

Filtration Services

- Consultation
- Filtration Audits
- Engineering & Design
- On-Site Training & Support

Filtration Equipment Rentals

- Filtration Skid Rentals
- Vacuum Dehydrator System Rentals

Process Heating Services

- Heat Loss Calculations
- Process Heater and Control Panel Startup
- Heat System Commissioning & Startup
- On-Site Support

Process Heating System Maintenance & Repair

- Preventative & Pre-Season Maintenance
- Service Contracts
- Element Repair & Upgrades

Heat Tracing System Services

- Heat Trace Take Offs
- Design & Installation
- Heat Trace Installation Training
- Heat Trace Audits

Control Valve Services

- Control Valve Maintenance & Repair
- Packing and Seat
- Actuator and Positioner Rebuilding
- Product Specifications

Control Valve Sizing (Selection and Product Specification)

Control Valve Assembly

Tube & Hose Assembly

Actuator & Positioner Assembly

Process Control Instrumentation

- Calibration
- Metering Pump Repair & Rebuild
- Preventative Maintenance
- On-Site Support (Troubleshooting)
- Product Specifications

Thermometer Calibration & NIST Certification

Service Portfolio

PROCESS CONTROL

Pressure Instrumentation

- Calibration
- Metering Pump Repair & Rebuild
- Preventative Maintenance
- On-Site Troubleshooting
- Product Specifications

Flow Instrumentation

- Calibration
- Metering Pump Repair & Rebuild
- Maintenance and Repair
- On-Site Support (Problem Troubleshooting)
- Product Specification

Gauge Calibration Services

- Gauge Seal Assembly & Mounting
- Pressure Gauge Calibration
- Diaphragm Seal Assembly & Maintenance
- Gauge Liquid Filling
- Custom Dial Pressure Measurement Ranges
- Pressure Measurement Audits
- NIST Gauge Certification
- Vacuum Gauge Calibration & Repair
- Pressure Gauge Audits
- Maintenance & Repair

Level Instrumentation

- Calibration
- Metering Pump Repair & Rebuild
- Preventative Maintenance
- On-Site Troubleshooting
- Product Specifications

Flow Measurement Services

- Fluid System Engineering & Design
- Coriolis Flow Meter Support (Factory trained Coriolis technicians)
- Process Flow Measurement Device Sizing & Selection
- Product Specification

Master Meter Proving

- NIST Traceable Meter Certification
- BLM Acceptance of our Proving Procedures
- On-Site Situ Proving (Portable In Situ proving equipment)
- In-house Meter Proving Capabilities

Allocation System Services

- Allocation Measurement
- System Design
- Maintenance & Repair

Custody Transfer Services

- LACT Unit Commissioning and Startup
- LACT Unit Regulatory Compliance

Service Portfolio

PROCESS CONTROL

Custody Transfer Services

- Separation
- On-Site Support (LACT Troubleshooting)

Custody Transfer Maintenance & Repair

- Service Contracts
- Preventative Maintenance

PLC Control System Services

- Programming & Support
- Troubleshooting

BS&W Monitor Services

- Calibration and Troubleshooting
- Maintenance & Repair
- System Consulting

Process Control Services (Distribution of Components Services)

- On-Site Support (on-site inventory management)
- Product Expediting
- Product Obsolescence Notification & Replacement
- Kitting & Packaging
- Custom Labeling

MOTION CONTROL & AUTOMATION

Lean Manufacturing Services

- Lean Workstation Design, Kit & Build
- Lean Structures and Fixtures

Aluminum Structural Framing

- Design
- Engineering (CAD Drawings)
- Machining and Assembly

Automation Control Panel Services

- PLC and HMI Training
- PLC and HMI Troubleshooting & Upgrades

UL 508A Services

- UL 508A Panel Design
- UL 508A Panel Fabrication

Bosch Rexroth Motion Services

- Troubleshooting & Upgrade

Control & Automation Engineering Services (Engineering / Technical Support)

- Custom Contract Manufacturing (Sub-assemblies of standard components and customized modifications)
- Workshops and Training

Service Portfolio

MOTION CONTROL & AUTOMATION

Control System Design

- Application Design Assistance
- Control System Application Review and Product Selection

Conveyor Services

- Design
- Engineering
- Assembly
- Installation

Industrial Automation Services

- Automation Proof of Concept & ROI/Cost Analysis
- Startup Services
- Maintenance & Repair
- On-Site Support
- Product Cross Reference

FLUID POWER

Lubrication System Services

- System Design & Project Engineering
- Installation and Start Up Support
- System Maintenance
- Training & Troubleshooting

Filtration Equipment Rental

- Water Dehydrator
- Off-Line Filters
- Flushing Units

Fluid Power Engineering Solutions

Fluid Power Components Repair & Rebuild

- Servo & Proportional Valve Testing and Repair
- Conversions
- Retrofit
- Reman Programs
- Pump & Motor Testing Capability
- Kitting
- Manifold and Sectional Valve Assemblies

Hydraulic Control System Services

Power Unit Fabrication

Field Services

- On-Site Support
- System Startups
- Application and Installation
- Troubleshooting

Predictive Maintenance Contracts

What we deliver...

Valin Corporation is your total solution provider of process valves, instrumentation, filtration, heating, controls and automation products. We understand your industry and need for reliable operations and performance. We help you minimize downtime and increase plant efficiency. Our technical knowledge and market expertise, matched with our value added service capabilities, helps makes us the comprehensive solution provider for the Industrial Market.

ISO 9001 Certified

Professional Application Engineers

- Troubleshooting
- Process specification
- Product selection
- Design solutions

Personalized Order Management

- Live assistance
- Customized inventory management
- Online order processing
- Automatic order status notification

Comprehensive Training Programs

- Certified trainers
- Hands-on product & software workshops
- Custom training classes
- On-site lunch & learns

Testimonial

"Valin saved the day when we were having issues with one of our hydraulic suppliers. They were able to quickly develop a prototype unit to replace our existing inoperable unit. They also agreed to hold a supply of these units in their inventory so we will always be able to ensure on-time delivery to our end customers."
