

# Bio Technology Solutions

**VALIN**<sup>®</sup>

Heat Trace Cable & Controls

Auxiliary Electric Steam Boilers

Valve Automation

Gauges

Vaporizer

Steam Superheaters

Water & Oil Circulating Temperature Controllers

Regulators

Flanged Immersion Heaters

Circulation Heaters

Heat Trace Design Software

Sanitary Fittings

Small Handling Systems

Regular Fittings

Automated Lubrication System

Pneumatic ISO Cylinder

Vacuum Ejector

Air Preparation Unit

Stainless Steel Injector

Aluminum Framing

PLC Controllers, Power Supplier & VFD's

Networking

Temperature Controls, Sensors & Accessories

Low Pressure Switching Monitor

Dry Fog™ Systems

Sterilant

Depth Filter Modules

Disposable Containment Filter

Hollow Fiber Cartridge Filters

Hollow Fiber Capsule Filters

All-Metal Steam & HyLine Filters

High Purity Vent Filters

Sparging Elements

Valin is your single source solution provider for all of your Bio Technology needs

## What we deliver...

Valin Corporation is your total solution provider of process valves, instrumentation, filtration, heating, controls and automation products. We understand your industry and needs for improved time-to-market, meeting regulatory approvals & validations, covering health and safety concerns, and reducing waste. Our technical knowledge and market expertise, matched with our value-added service capabilities, makes us the comprehensive solution provider for the Bio Technology Industry.

### ISO 9001 Certified

#### Professional Application Engineers

- Troubleshooting
- Process specification
- Product selection
- Design solutions

#### Personalized Order Management

- Live assistance
- Customized inventory management
- Online order processing
- Automatic order status notification

#### Comprehensive Training Programs

- Certified trainers
- Hands-on product & software workshops
- Custom training classes
- On-site lunch & learns

#### Testimonial

*"Valin upgraded an HMI screen and specified Bosch Rexroth aluminum framing on one of our new systems to improve the product and reduce costs. They also helped us specify the best motor for one of our larger customers. We are very happy with their service."*

*Andy Garcia  
VP Engineering  
UV Curing Systems*
