Integrated Process Control and Automation Solutions

What we deliver...

Valin Corporation is your total solution provider of process valves, instrumentation, filtration, heating, controls and automation products. We understand your industry and needs for consistent quality, performance and improved time to market with improved safety and security. Our technical knowledge and market expertise, matched with our value-added service capabilities, makes us the comprehensive solution provider for the Defense and Security Industry.

ISO 9001 Certified

Professional Application Engineers

- Troubleshooting
- Process specification
- Product selection
- Design solutions

Personalized Order Management

- Live assistance
- Customized inventory management
- Online order processing
- Automatic order status notification

Comprehensive Training Programs

- Certified trainers
- Hands-on product & software workshops
- Custom training classes
- On-site lunch & learns

Testimonial

"Valin helped us automate the processes for manufacturing instrumentation, optimized the visual inspection process and provided excellent technical support and service."
