

VALVE ASSEMBLY

1 INCH METAL SEATED STAINLESS STEEL FLANGED BALL VALVE

Product Description

- Live loaded packing
- Electric actuator

1 1/2 INCH STAINLESS STEEL THREADED END BALL VALVE

Product Description

- Spring-diaphragm actuator
- Limit switch
- Solenoid pilot valve

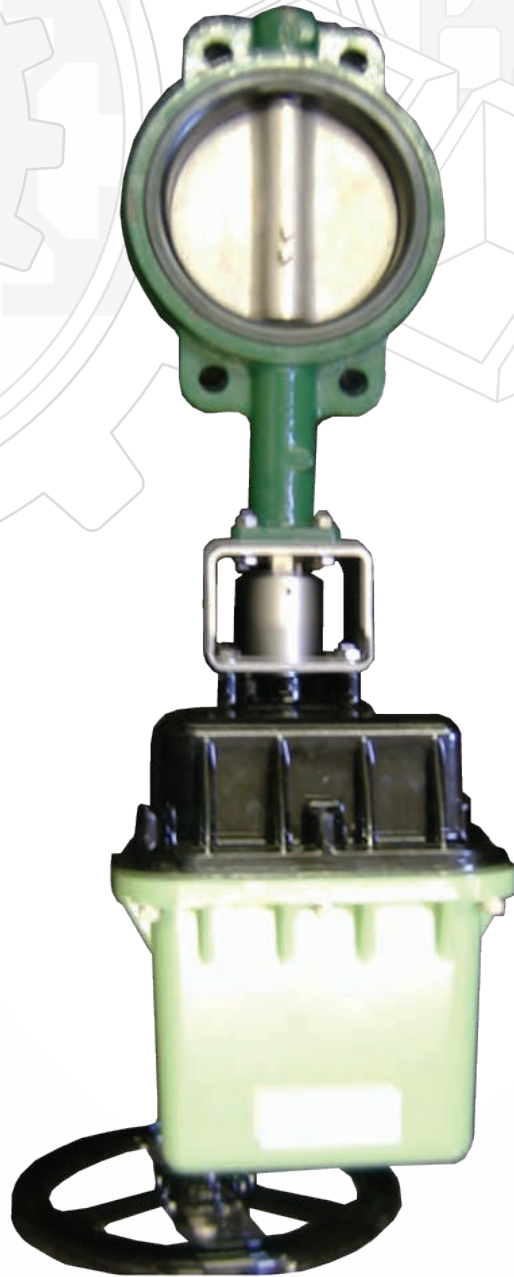

3 INCH THREE-WAY STAINLESS STEEL BALL VALVE

Product Description

- Rack and pinion pneumatic actuator

4 INCH RUBBER SEATED BUTTERFLY VALVE

Product Description

- Electric actuator

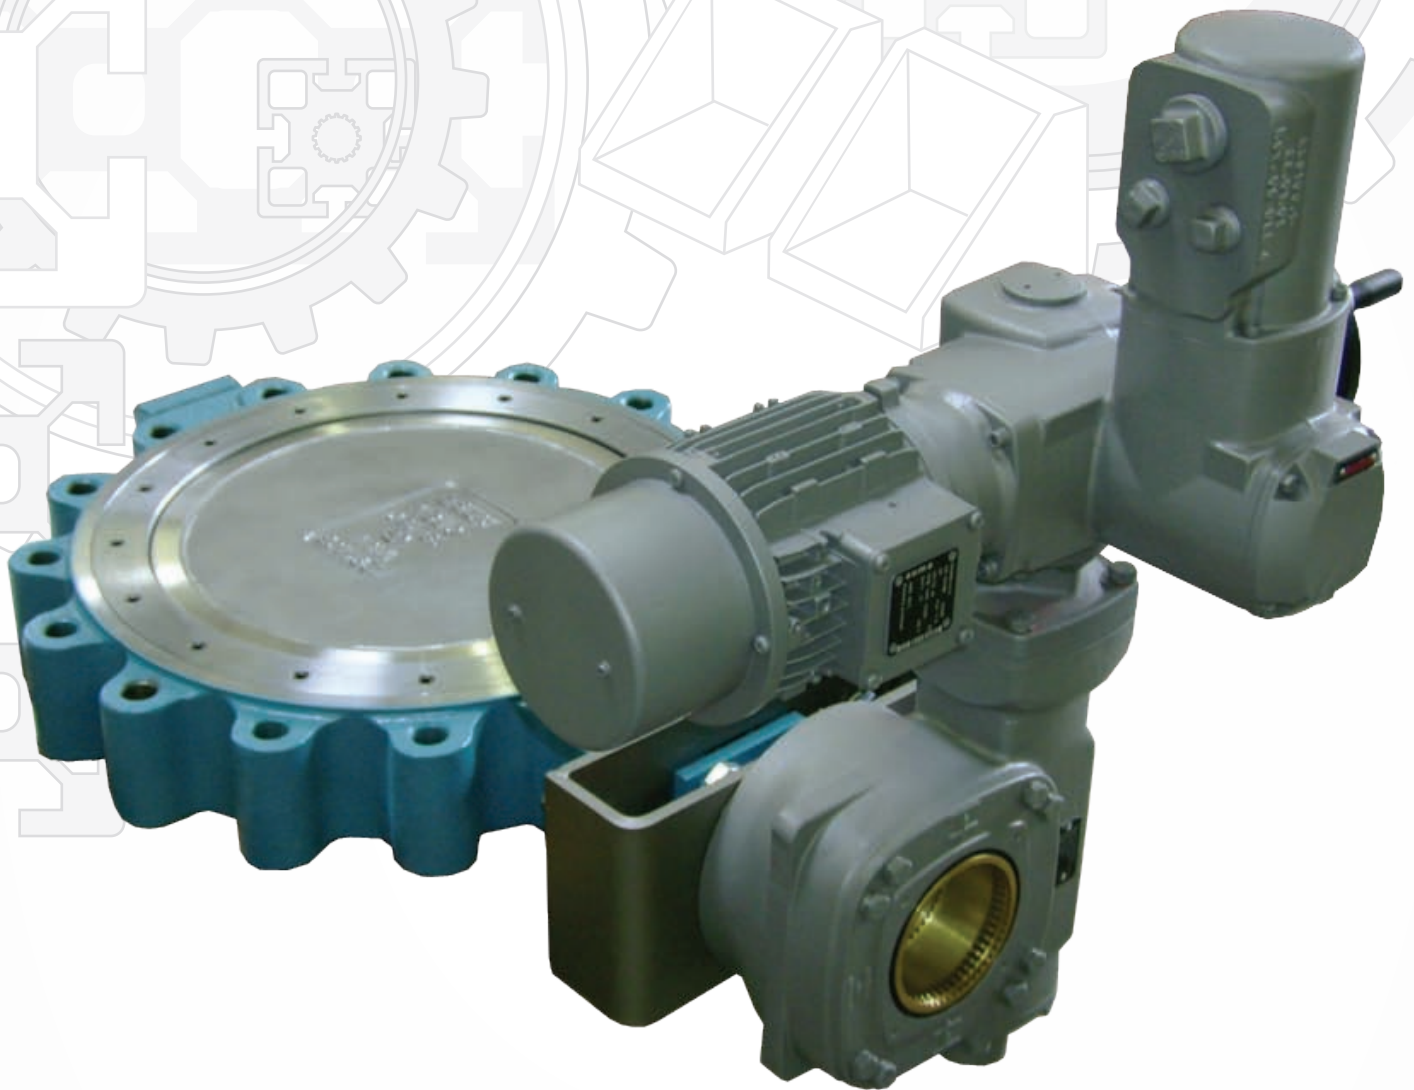

6 INCH METAL SEATED STAINLESS STEEL FLANGED BALL VALVE

Product Description

- High temperature stem extension
- Spring return pneumatic piston actuator
- Limit switch

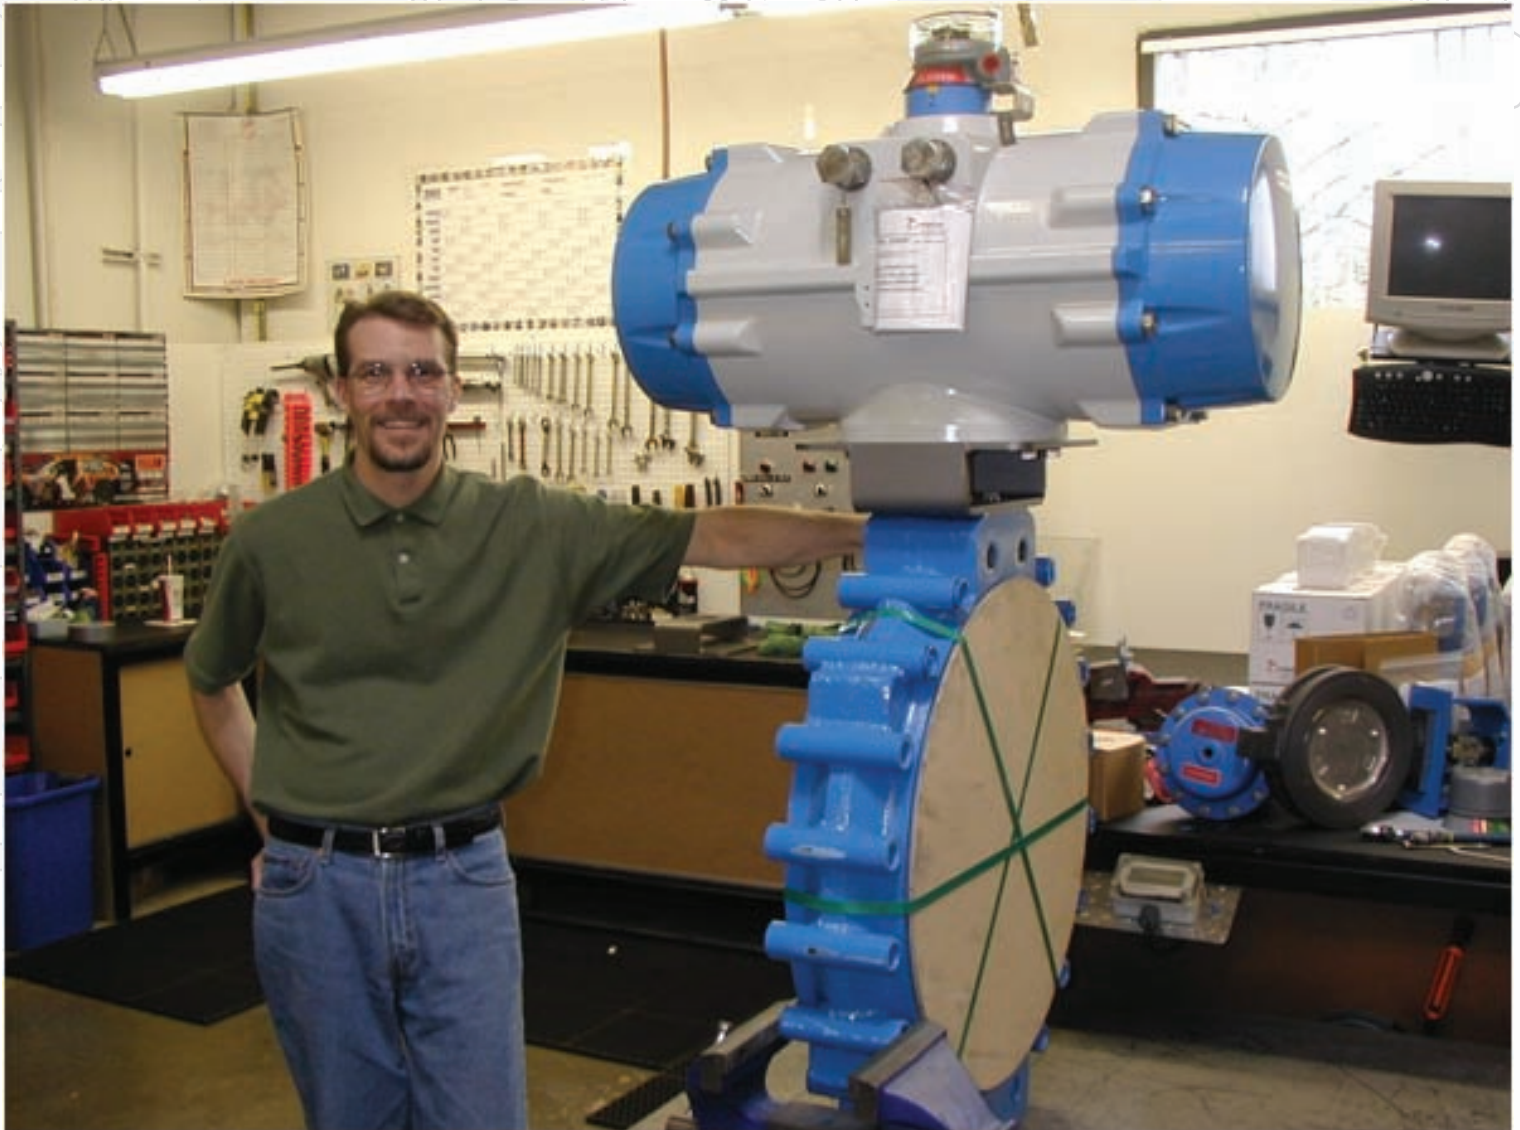

18 INCH HIGH PERFORMANCE BUTTERFLY VALVE

Product Description

- Custom made mounting hardware for an electric actuator

24 INCH HIGH PERFORMANCE BUTTERFLY VALVE

Product Description

- Rack and pinion pneumatic piston actuator
- Limit switch

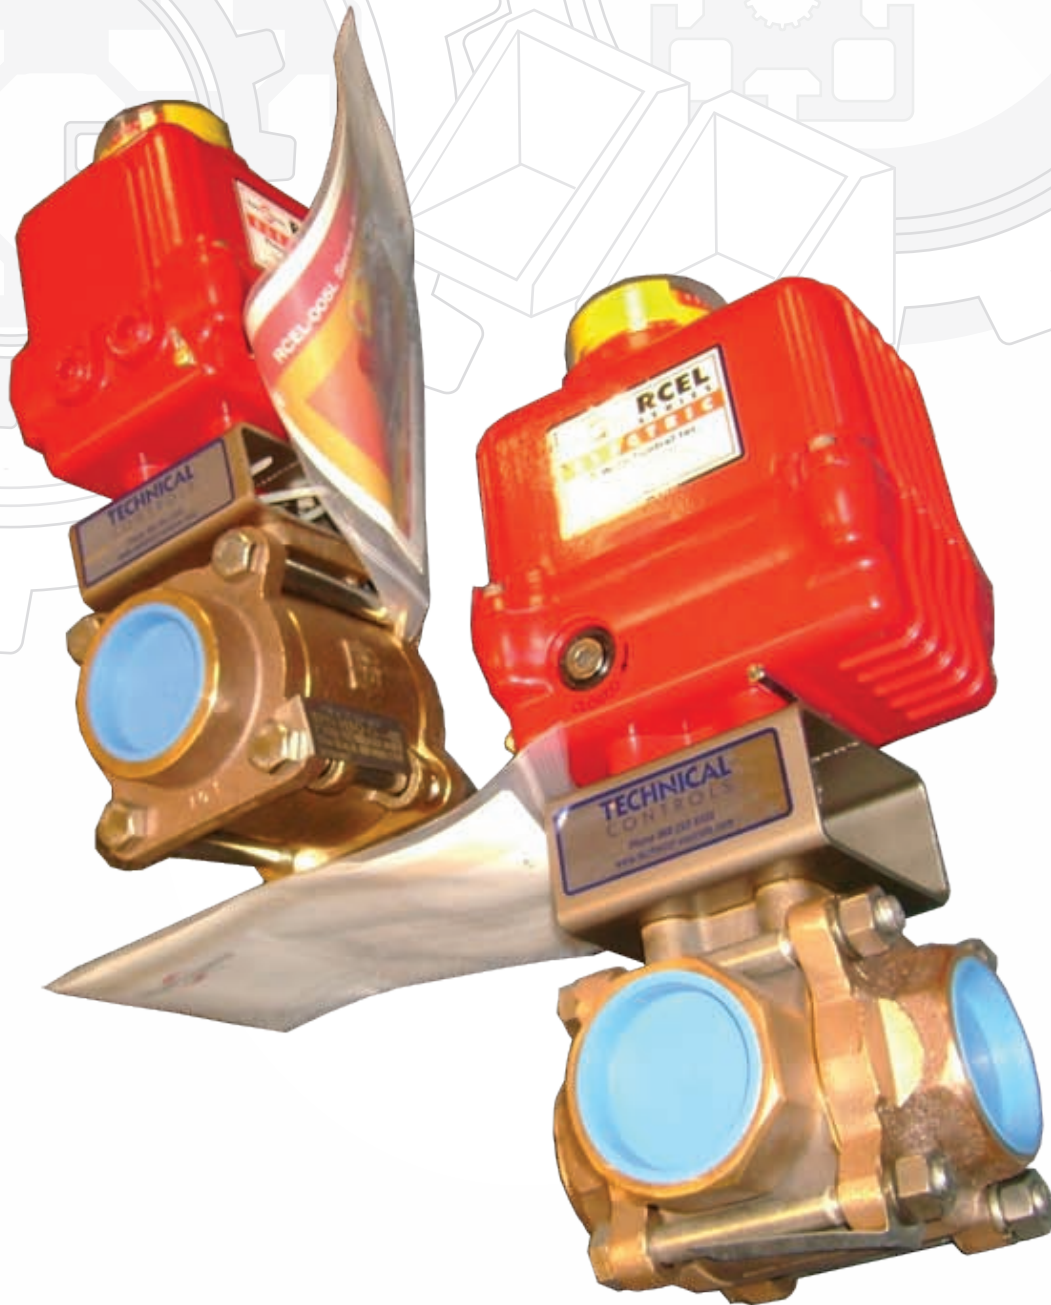

3 INCH SOFT SEATED CARBON STEEL FLANGED BALL VALVE

Product Description

- Spring-diaphragm pneumatic actuator
- Custom mounting of third party digital positioner

TWO-WAY AND THREE-WAY BRASS 3 PIECE BALL VALVES

Product Description

- Custom mounting of electric actuators

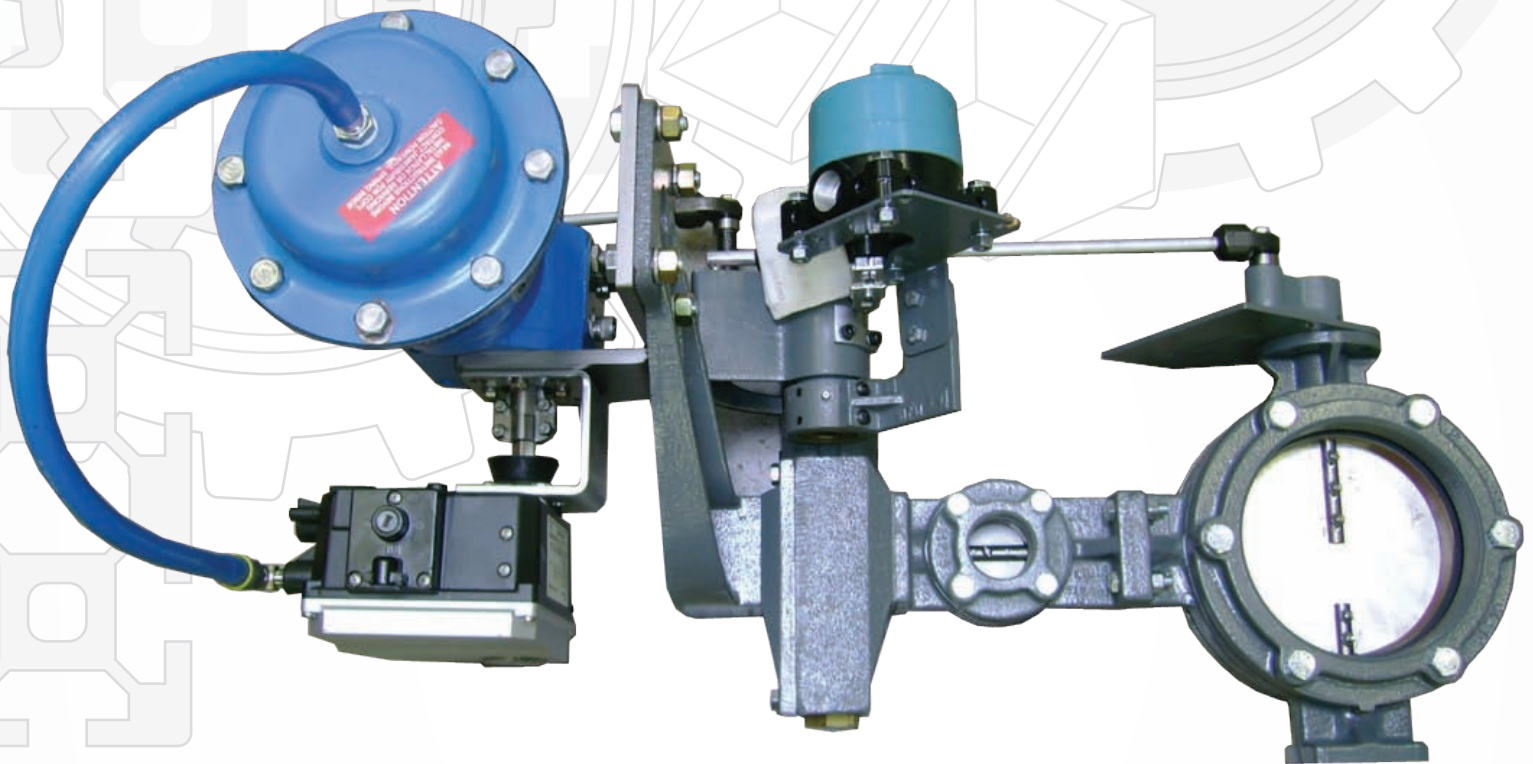

SOFT SEATED BALL VALVE

Product Description

- Spring-diaphragm actuator
- Explosion proof limit switch
- Dual redundant solenoid pilot valves

MICRO RATIO VALVE ASSEMBLY

Product Description

- Ganged fuel gas and air flow valves for boiler control
- Two butterfly valves
- Spring-diaphragm pneumatic actuator
- Pneumatic positioner
- Limit switch

CERAMIC LINED BALL CONTROL VALVE

Product Description

- Rack and pinion double acting pneumatic piston actuator
- Electro-pneumatic positioner
- Custom mounting hardware

CORROSION RESISTANT COMPOSITE BALL VALVE

Product Description

- Spring-diaphragm pneumatic actuator
- Digital positioner

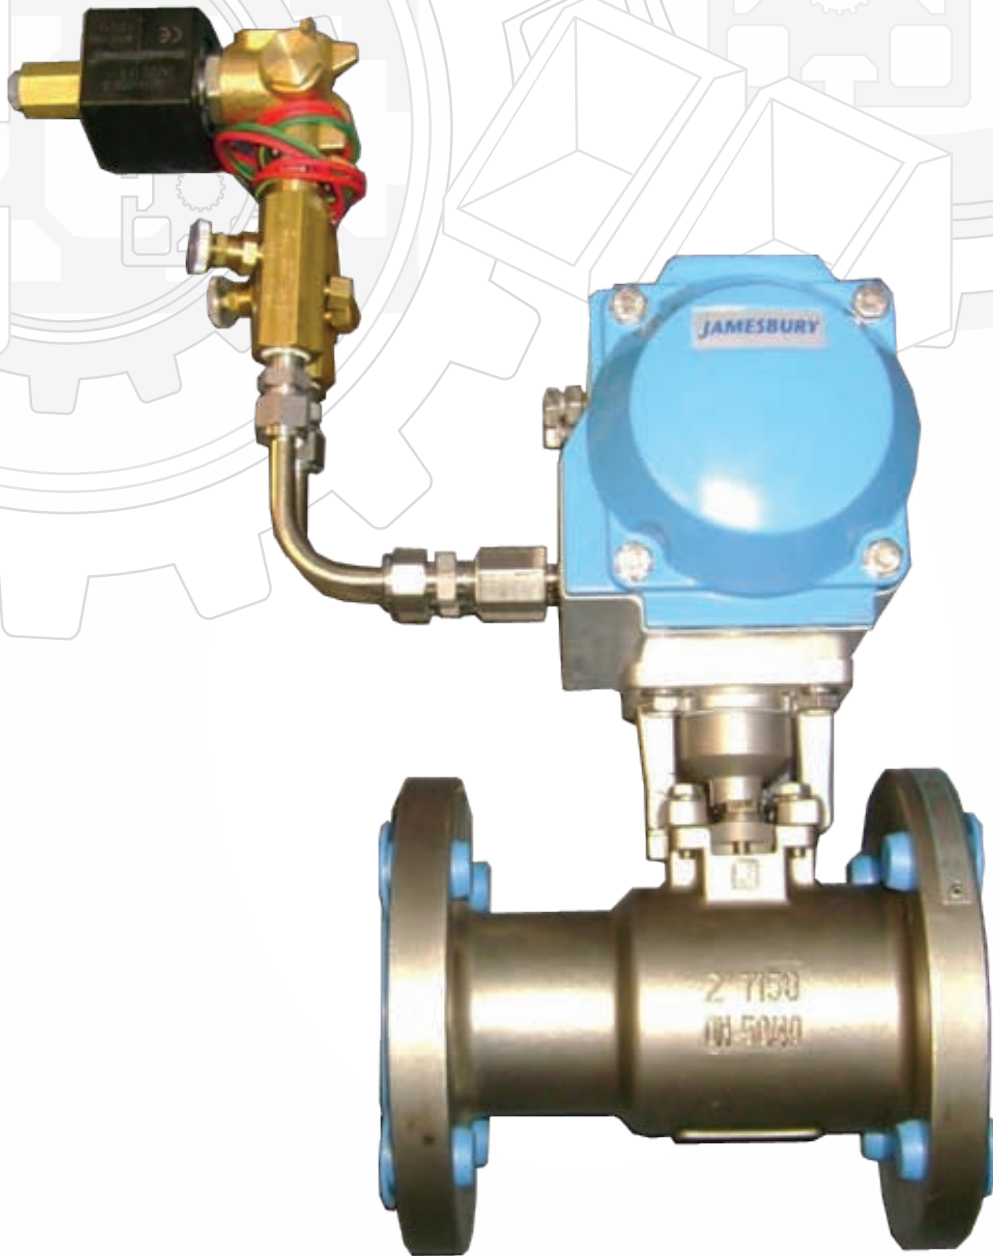

1 1/2 INCH STAINLESS STEEL SOFT SEATED BALL VALVE

Product Description

- Stainless steel rack and pinion pneumatic actuator

2 INCH STAINLESS STEEL SOFT SEATED BALL VALVE

Product Description

- Rack and pinion pneumatic piston actuator
- Speed control valves
- Solenoid pilot valve

THREE-WAY STAINLESS STEEL PLUG VALVES

Product Description

- Rack and pinion pneumatic piston actuator

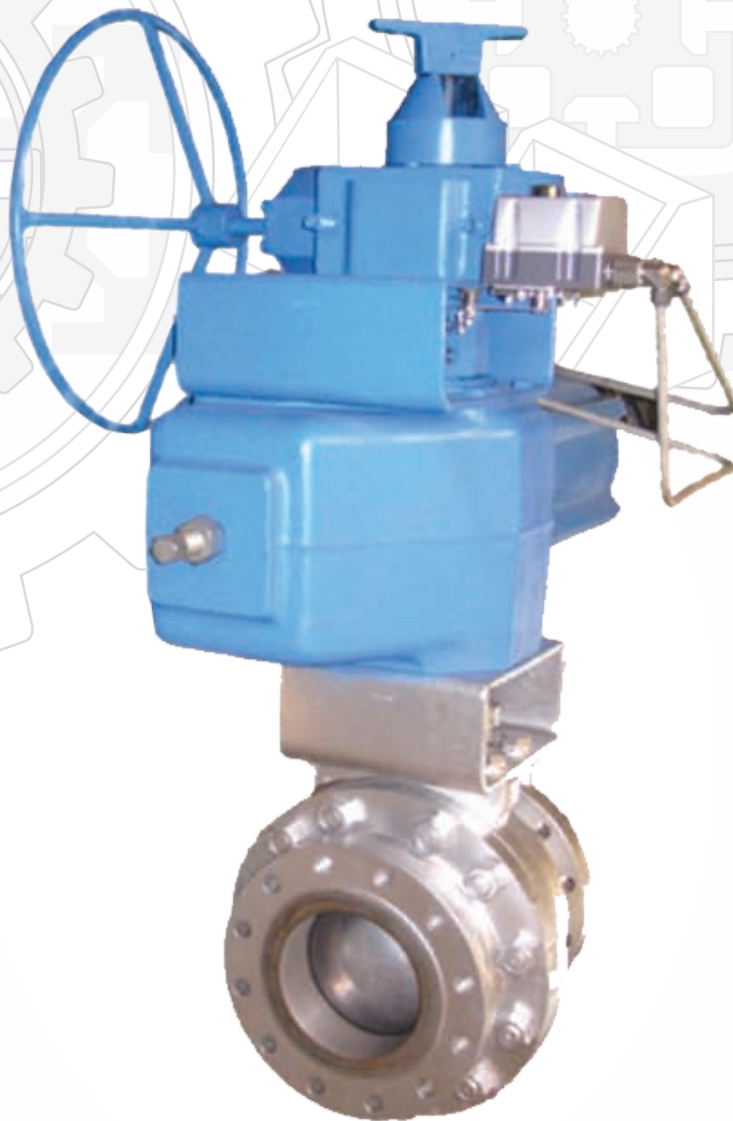

NELES ROTARY GLOBE VALVE

Product Description

- Electric actuator with control module
- Combines ruggedness of globe valve with the low profile and long stem seal life of a rotary valve

8 INCH STAINLESS STEEL METAL SEATED BALL VALVE

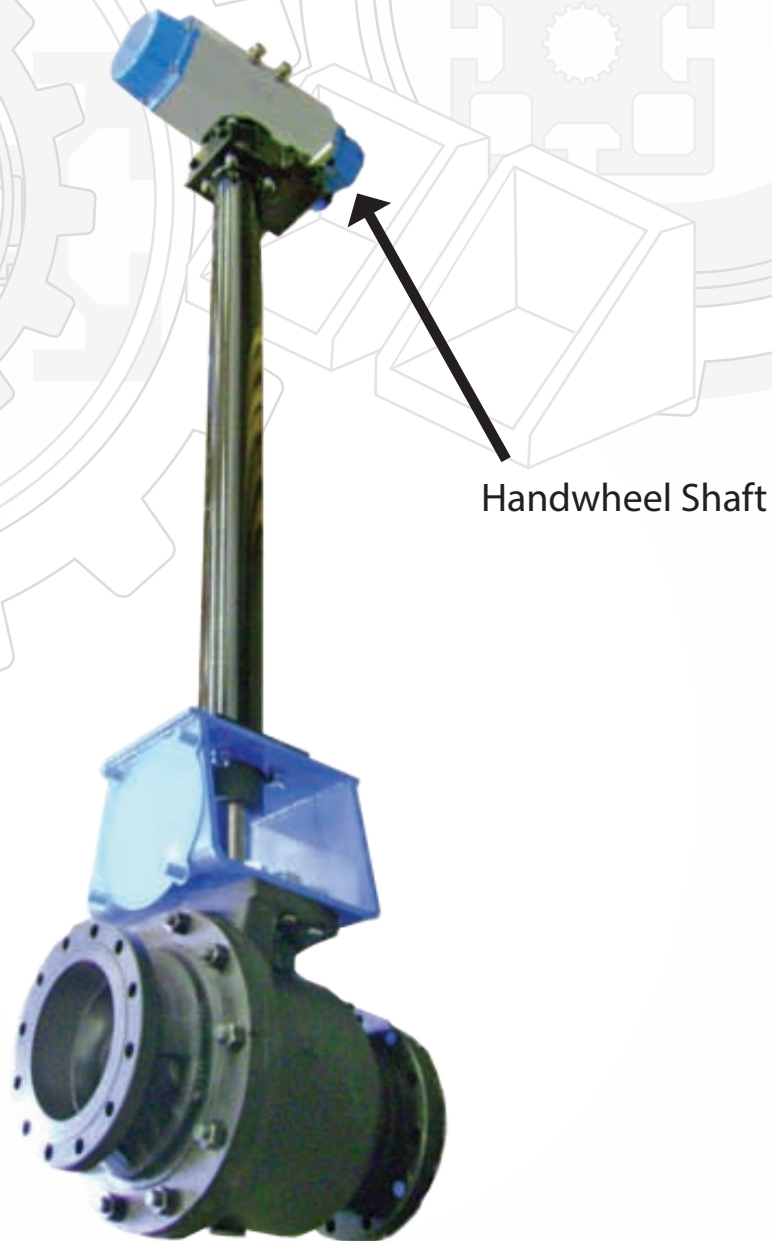

Product Description

8 inch stainless metal seated ball valve for high temperature service in a petroleum refinery

- Double acting pneumatic piston actuator
- Declutchable manual gear override
- Digital positioner side mounted with custom made linkage

10 INCH FULL PORT SOFT SEATED BALL VALVE

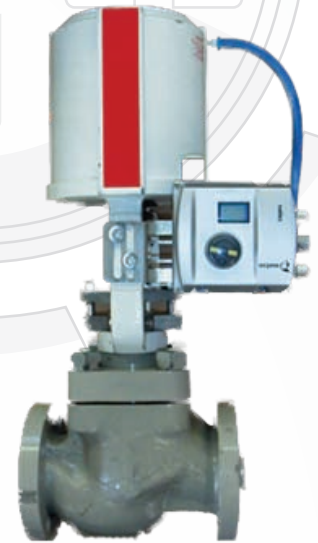

Handwheel Shaft

Product Description

- Rack and pinion pneumatic piston actuator
- Declutchable manual gear override. (Shown with the handwheel removed)
- Custom fabricated 10 foot stem extension

CUSTOM FABRICATED LINKAGES

Product Description

Custom fabricated linkages to mount Neles smart digital valve controllers on a wide variety of third party control valves and actuators
