From inlet to outlet Valin is your single source process solution provider

What we deliver...

Valin Corporation is your total solution provider of process valves, instrumentation, filtration, heating, controls and automation products. We understand your industry and needs for facility management. Our technical knowledge and market expertise, matched with our value-added service capabilities, makes us the comprehensive solution provider for the Water Treatment Industry.

ISO 9001 Certified

Professional Application Engineers

- Troubleshooting
- Process specification
- Product selection
- Design solutions

Personalized Order Management

- Live assistance
- Customized inventory management
- Online order processing
- Automatic order status notification

Comprehensive Training Programs

- Certified trainers
- Hands-on product & software workshops
- Custom training classes
- On-site lunch & learns

Testimonial

"I got a technician on the phone and within minutes he isolated my issue and got a valve sent to me in time to avert a costly process failure."
